

What People Say About Our Functions!

I would like to thank you and your team for a wonderful night, Shaun's birthday turned out better than I ever imagined the Spirit room was perfect. Most of all I would like to thank you and your staff for being able to keep my surprise for Shaun. All our guests gave great feedback about the food and friendliness of your staff and I would not hesitate in recommending yourselves to any of my friends and colleagues. **Lisa & Shaun**

Hi, just an Email to thank you so much for the excellent service we received for my daughters 18th birthday party. The catering and buffet was superb, with the dishes and trays being continuously topped up with hot and cold food and the bar and door staff were extremely helpful and friendly. You stated at the out-set that you would look after us - and you did. The evening was faultless. If any future clients require a recommendation please do not hesitate to contact me and I will give one. Thank you **Sally Knowles**

We would just like to say a huge thank you for everything you all did on New Years Eve for my 40th Celebration. Everything was perfect. Everybody had a brilliant night. There were a lot of people who had not been to the function suite before and they were very impressed with everything, the room, the food, DJ and the staff. Thank you for making the night so memorable.

Just a little line to say a big thank you+ for the 50th Wedding Celebration you organised for us yesterday. It was marvellous with a warm reception, excellent food and a calm atmosphere. Everyone including Joe and I had a lovely afternoon and our guests were very impressed.
